

Progress towards mainstreaming impact management

Conversations with Partners of the new Impact Management Platform

23 November 2021 at 10:00 EST / 15:00 GMT / 16:00 CET

In November, leading international providers of sustainability standards and guidance will announce the creation of the Impact Management Platform, a collaboration to mainstream the practice of impact management.

This joint launch webinar will bring together several Partners of the Platform to share their thoughts on the vision and future of the collaboration.
